#### **Beginning Reloading Clinic for Centerfire rifles.**

This is a **BASIC** course designed to teach students the general safety and procedures associated with handloading ammunition. Students will manufacture several rounds and fire the ammunition that they have loaded.

**COST:** \$ 20.00/person Cash or Checks-payable to Hunter Heritage Foundation.  
Minimum age is 11

#### **CLINIC SIZE:**

**Up to 8 participants.** People need to sign up prior to the clinic and **pay in advance** to reserve their spot

#### **CLASS TIME:**

Typically the class is held during a 1-day course from 9AM till 3PM. It can also be broken up over a two evening period. The first 3-hours are spent covering topics of handloading then manufacturing live rounds. The second half is held on the range where students will fire and chronograph their rounds to gather ballistic information and evaluate performance. Students need to dress accordingly to be outside for the livefire exercise.

#### **WHAT'S INCLUDED IN THE COST:**

- Eye and ear protection.
- All class materials.
- Use of complete reloading station and equipment.
- All Bullets, powder, primers and targets (designated caliber from instructor).
- Chronograph stations.
- Use of department rifles.

#### **WHAT THE STUDENT NEEDS TO BRING:**

- Pencil and note pad.
- Eye and ear protection if they do not wish to use ours.
- Lunch (if full day course).
- Good attitude
